Water Safety is for Everyone

Summer is right around the corner, let's be safe!

A bright orange life preserver with two white reflective bands is shown floating in deep blue, rippling water. The preserver is oriented vertically with its rope handle on the left side.

Family Water Safety Event
Sunday, May 21st, 2023
Worthington Pools
4PM – 5:30PM
RSVP NOW - Attendance limited to first 100 People! - FREE!

TO REGISTER, EMAIL OR CALL:

- **MARY.RITCHEY@WORTHINGTONPOOLS.COM**

- *Bring awareness and knowledge on how to be safe in and around aquatic areas.*
- *Encourage you to communicate the importance of water safety to your community, family and friends with steps everyone can take to be safer in and around water.*
- *Learn about Worthington Pools Aquatic programs.*

We're offering a free educational event for the community. Drowning is a leading cause of death for children and together, we can change that. We'll be explaining how important it is to ensure every family member learns to swim so they can achieve skills of water competency: able to enter the water, get a breath, stay afloat, change position, swim a distance and then exit the water safely. We'll encourage folks to employ layers of protection including barriers, life jackets and close supervision. Knowing what to do in a water emergency can save lives.

Please register in advance for this event by either calling the office or emailing the office manager.

Happiness comes in WAVE(s)!

Join the most fun team in the pool this summer! The Worthington WAVE offers training for swimmers of all abilities, ages 18 & under. Basic knowledge of freestyle and backstroke is required (at least 1 length-25 yards-without reaching for the lane line or wall). For more information and to register for the team, please visit www.worthingtonwave.com.

All practices are Monday to Friday, June 5 to July 17, 2022.
