The Natatorium Turned 50!

To celebrate the 50th Anniversary of our Natatorium, we are creating a Historic Memory Lane filled with pictures, newspaper clippings and more, all about the early years of the indoor pool and building. The memory lane is planned to be physically posted in the Natatorium and digitally posted on our website.

In the Summer, we're planning to host an Aquatic Showcase! This event will include high-level athletes from swimming, diving, water polo and synchronized swimming.

Bond & Levy Update

Happy New Year,

We begin 2023 full of enthusiasm and gratitude as the Worthington School District Bond and Levy issues passed with full support in November. This construction project will include the replacement of the Natatorium. We are partnering with WSD throughout the planning phase and look forward to a wonderful new facility.
