M-F 8AM-12PM

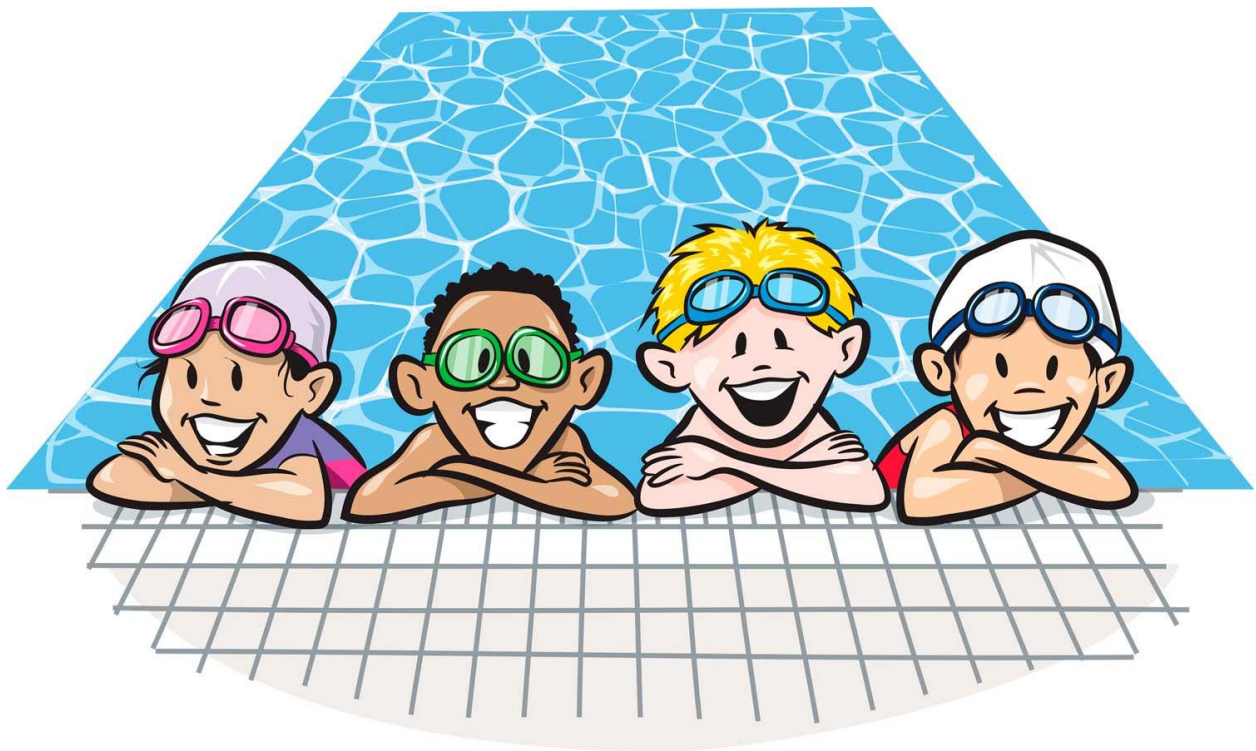

In honor of the Natatorium's 50th Anniversary and more than 65 years of outdoor pool fun, we're asking the community to contribute to our Memory Lane project.

We're compiling old photographs, videos, newspaper clippings, and personal stories to create a virtual and physical exhibit. We hope this historic media will provide current community members with information and entertainment that shows just how far Worthington Pools has come since opening in 1954.

To submit media digitally, email office@worthingtonpools.com. If you have something physical you'd like us to scan, feel free to stop by the pool office during our open hours Monday through Friday, 8am-12pm. If you'd like to drop by outside of those hours, email mary.ritchey@worthingtonpools.com or call the office at 614-885-1619

By submitting media you are allowing us to use it for our exhibit and projects in the future. A submission is not a promise of publication.
