

Seasonal Newsletter

Oh, the weather outside is frightful,
but the pool temperature is so delightful!

Our indoor season is just as busy as our Summer's! Amongst school and club swim practice, group and private lessons, we have opportunities for everyone. Fitness classes offered, like Water Aerobics, are available for sign ups on our website, and we have Lap Swimming available M-F 8am-12pm (unless rescheduled). We're hosting competitions, community events and local programs like Paddle Board Yoga and Synchronized Swimming. Our website has loads of information, but feel free to talk to a staff member about any of these topics. Our "Contact Us" page on the website has all of our staff's email addresses. The

office phone number is 614-885-1619, and office hours are M-F 8am-12pm until Memorial Day, feel free to even stop by in person.
