Summer Swim Lessons

Registration begins May 10th at midnight. If there is no registration button next to the class you want, it is because it is not available to register for yet. If you've selected a drop down menu and nothing is appearing, it is because the website only shows what lessons have available room and a blank schedule means there is no more availability.

Email the Director of Swim School karen.dayton@worthingtonpools.com with any questions.

Water Safety Presentation

May 21st from 4pm-6pm we're demonstrating water safety skills for the community. We'll be explaining how important it is to ensure every family member learns to swim so they can achieve skills of water competency: able to enter the water, get a breath, stay afloat, change position, swim a distance and then exit the water safely.

Please register in advance for this event by either calling the office (614) 885-1619 or emailing the office manager, mary.ritchey@worthingtonpools.com

OR by filling out this link on Sign-Up Genius:

Summer Employment Opportunities

We're looking to hire seasonal employees as Front Desk Associates, Lifeguards & Swim Instructors. Lifeguards require a Red Cross Certification which we can help provide. Front Desk Associates must be at least 18 years of age.

All seasonal employees receive a free membership to the outdoor pool. If you're interested in employment, email the office manager, mary.ritchey@worthingtonpools.com and let them know which position you're interested in.

Hot Dog Tuesdays

Starting on the first Tuesday of the Summer, May 30th, we'll serve hot dogs, brats, sides and dessert from 5pm-7pm. Guests of Members are \$4 after 4pm every Hot Dog Night.
